A GLOBAL AND REGIONAL NEXUS FOR RENEWABLE ENERGY DECISION-MAKERS

Energy Week Central Asia & Caspian 2024 (previously Energy Week Central Asia & Mongolia) brings together key stakeholders from **Kazakhstan, Uzbekistan, Kyrgyzstan, Tajikistan, Turkmenistan, Azerbaijan**, and neighbouring countries, a large pool of global developers, sponsors and financiers as well as the world's leading technological companies to shape the region's green transition.

The region has enormous untapped renewable energy potential coupled with favourable conditions. We will discuss policy and regulatory frameworks, financing renewable energy, as well as will delve into technology-specific projects incl. Solar PV, Storage, Wind Energy, Green Hydrogen and Hydropower.

Energy Week is about a top-notch conference agenda coupled with **unprecedented networking opportunities** thanks to our consultant-led **B2B zone** and business meetings running in parallel with the sessions.

To celebrate the 5th edition of Energy Week in Central Asia, we are excited to introduce the **Solar Qazaqstan Awards** by an independent panel of judges aiming to highlight milestone projects, pioneering individuals, and innovative organisations.

Join policymakers, energy producers, investors, offtakers and industrial clients at Energy Week, the region's ultimate event. For years, it has cultivated a distinct sense of community, uniting thousands of individuals in advancing renewable energy deployment across the region.

[WATCH THE VIDEO](#)

MORE THAN A CONFERENCE

While discussion panels take centre stage, the most important part of the event happens at the dedicated **B2B zone**.

Targeted and facilitated networking was and will continue to be the most impactful and sought-after aspect of Energy Week.

Proud to have achieved an impressive **98.2%** success rate in organising on-site B2B meetings for our participants!

B2B ZONE

Here's how we make it happen:

Get an electronic list of all the event participants*

Take advantage of our personalised consultation to identify and select individuals you wish to meet

Simply share your preferences with us, and we will handle the rest, including the crucial task of initiating contact with your chosen counterparts.

*On a day. Advance access provided to Sponsors only.

We guarantee smooth communication either via our bespoke app, messenger, or in-person at our B2B desk.

Our approach goes **beyond what traditional networking apps alone can offer**, often requiring a persuasive touch to yield outstanding results.

This service is included with your **Delegate pass** at no additional cost.

"The emphasis on networking through the B2B zone was a standout feature, facilitating vital connections for investment and project development."

Oleksandr Denysyuk

AGENDA

5th of September

DAY 1

08:30 – 09:30	Registration and Morning Coffee
09:30 – 09:45	Opening and Keynote
09:45 – 11:00	Session 1. Bridging Borders: Regional Energy Connectivity as the Gateway to a Greener Future
11:00 – 11:30	<i>Coffee and Networking Break</i>
B2B meetings run in parallel with the sessions during the rest of the day.	
11:30 – 13:00	Session 2. Stored Power, Stronger Grids: Facilitating Energy Storage and Grid Resilience
13:00 – 14:00	<i>Networking Lunch</i>
14:00 – 15:30	Session 3. Sunrise in the Oil Fields: Renewable Transition in Oil-Producing Countries
15:30 – 16:00	<i>Coffee and Networking Break</i>
16:00 – 17:30	Session 4. Mitigating Uncertainty and De-risking Financing of Renewable Energy
17:30	<i>Networking drinks</i>

AGENDA

6th of September

DAY 2

B2B meetings run in parallel with the sessions.

08:30 – 09:30

Morning Coffee and Networking

09:30 – 10:30

Session 5.

From Zephyrs to Sunshine: Scaling Up Solar and Wind Energy

10:30 – 11:00

Fireside Chat with a Tech Visionary in the Renewables Sector

11:00 – 11:30

Coffee and Networking Break

11:30 – 13:00

Session 6.

Embracing Emerging Technologies: Green Hydrogen and Ammonia

13:00 – 14:00

Networking Lunch

14:00 – 15:30

Session 7.

Industries in Transitions: Decarbonising Hard-to-Abate Sectors

15:30 – 16:00

Coffee and Networking Break

16:00 – 17:15

Our Special: Solar Mix n' Mingle

17:15 – 17:30

Technical Break

17:15 – 18:30

Solar Qazaqstan Awards

AMONG SPEAKERS 2023

ERLAN AKKENZHENOV

Vice-Minister of Energy of the Republic of Kazakhstan

SORBONI KHOLMUHAMADZODA

Deputy Minister of Energy and Water Resources of the Republic of Tajikistan

KATHY LEACH

British Ambassador to Kazakhstan

HOVSEP VOSKANYAN

Head of the Delegation of German Economy in Central Asia

THIERRY PLAISANT

Member of the Board of Directors, CCI France Kazakhstan, Managing Director for Kazakhstan, TotalEnergies Renewables

KAIRAT MAKSUTOV

Chairman of the Board, Samruk Energy

ALEXEY DORONIN

Member of the Board, Managing Director for Strategy and Business Support, KOREM

YERLAN RAMAZANOV

Associate Director, Regional Head, Energy Eurasia, Middle East and Africa, Sustainable Infrastructure Group, EBRD

WOOI LEONG TAN

Managing Director, Energy & Industrial, SMEC and Surbana Jurong International

AINUR SOSPANOVA

CEO - Member of the Board of Directors, Qazaq Green

NUKA MSHVIDOBADZE

CFO, Georgian Renewable Power Holding (GRPH)

GANKHUYAG DAGVA

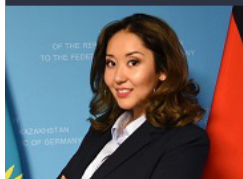

Chief Infrastructure Officer, Newcom Group, Mongolia

HAMMAD MASOOD

Director Business Development - Green Hydrogen, ACWA Power

AINUR TUMYSHEVA

Investment Director, HYRASIA ENERGY

SAULE ZHOLDAYAKOVA

Head of Alternative Energy, KazMunayGas

AIDAR KAZYBAYEV

Chairman, National ESG Club

ZHOMART MOMINBAYEV

Partner, TechnoGroupService

MANAS GIZHDUANIYEV

Deputy Chairman of the Management Board, AIFC Green Finance Centre

SOLAR QAZAQSTAN AWARDS

Celebrating Excellence in Solar Sector

Join us in recognizing and honouring the outstanding achievements and contributions in the sector with the Solar Qazaqstan Awards. These awards by an **independent panel of judges** aim to highlight the milestone projects, pioneering individuals, and innovative organisations that are driving the energy transition for a more sustainable future.

Entry Deadline: 23rd of August 2024

AWARD CATEGORIES

Utility Scale Project of the Year

Recognizing exceptional large-scale solar projects that demonstrate innovation, impact, and sustainability.

EPC of the Year

Awarding excellence in Engineering, Procurement, and Construction services for solar projects, highlighting efficiency, quality, and adherence to timelines.

Technical Advisory of the Year

Honoring companies excelling in providing expert technical guidance within the solar sector, showcasing their prowess in offering strategic insights.

Manufacturer of the Year

Celebrating manufacturers that have demonstrated excellence in producing high-quality solar equipment, contributing significantly to the advancement of the industry.

Financial Leadership

Acknowledging outstanding financial initiatives and strategies that have facilitated the growth and development of solar energy projects.

Module Technology Innovation

Recognizing groundbreaking advancements in solar module technology that enhance efficiency, durability, and performance.

Inverter Technology Innovation

Highlighting innovations in solar inverter technology that improve reliability, efficiency, and integration capabilities.

Woman in Solar

Honouring women who have made significant contributions to the solar energy sector, driving positive change and inspiring others.

ENTRY PROCESS

Entries are free and open to all registered participants of Energy Week.

Upon registration for Energy Week, participants will receive an optional entry form via email.

Each entry requires answers to two questions: a 200-word summary and a 1000-word explanation of why the nominee should win.

Optional submission of supporting quotes/comments from third parties is encouraged.

Join us as we celebrate the remarkable achievements and groundbreaking innovations in solar energy at the Solar Qazaqstan Awards. Let's empower a sustainable future together.

PROUD MAINSTAYS OF THE EVENT

Our delegate pass includes:

Participation in all the sessions of the event incl. the Solar Qazaqstan Awards Ceremony

Access to our dedicated B2B Zone with facilitated meetings

Coffee breaks/lunches and receptions

Nomination to Solar Qazaqstan Awards (optional and requires submitting the Nomination Form)

Access to presentations and photos as well as the post-event support

FULL PRICES

Local rate **1195€**

International rate **1620€**

Please note local rates are only applicable for companies paying from (billing country) Kazakhstan, Uzbekistan, Tajikistan, Kyrgyzstan, Turkmenistan, Azerbaijan, Armenia, or Georgia.

Available discounts:

15% EARLY BIRD

Available until **May 31st**.
Use code **EWCA_EARLY** to apply.

MULTIPLE TICKETS

Discount applied automatically:
2 tickets – 10% discount
3+ tickets – 15% discount

All discounts are cumulative.

Our lead partner, Saniya Perzadaeva, said, "**...we already feel like a family and are excited to meet our green friends every year!**" These words emphasise the unique sense of community that Energy Week Central Asia & Mongolia creates.

Unicase Team

What can you expect when you sponsor

Targeted audience. Energy Week is **the only event** bringing together all the major stakeholders from **across the region**, incl. government, utilities & TSOs, and large industrial clients. We have at least **x3 number of IPPs, developers and financiers** than any successful country-level event on the market.

B2B and B2G meetings. Get a competitive advantage via early access to the list of event participants, the networking App and our pre-scheduled meetings offer.

A top-notch agenda. Apart from having an exceptional and diverse speaker lineup, we incorporate lots of **interactive sessions** to foster meaningful connections.

Exposure and promotion. Brand visibility, media exposure, thoughtful recognition – we deliver it all.

Flexibility. We DO care about your business. Each **package can be customised** to meet your needs.

Clear communication. We take pride in building successful long-term relations with clients and our communication is always **swift and transparent**.

Reasons to join

Regional Focus

Meet the stakeholders from 6 countries across Central Asia and Caspian under one roof. With our curated senior decision-maker participants, it's certainly a lot more efficient than planning multiple trips.

Solar Qazaqstan Awards

Join us as we celebrate the remarkable achievements and ground-breaking innovations in solar energy at the Solar Qazaqstan Awards. Why not get nominated for an Award? Let's empower a sustainable future together!

Gateway to New Markets

We are at the frontline of sector developments introducing new markets. In 2024, excited to present Azerbaijan which set a target of increasing the share of renewables in its electricity mix to 30% by 2030

Energy Connectivity Focus

Enhancing regional energy connectivity and energy trade through cooperation is a critical factor in achieving resiliency of the energy system and energy security in Central Asia. Be at the frontline of integrated planning.

Matchmaking and B2B Zone

Targeted and facilitated networking was and will continue to be the most impactful and sought-after aspect of Energy Week. We have achieved a 98.2% success rate in arranging meetings for our clients onsite!

Decarbonising Industrial Sectors

Form crucial partnerships with key hard-to-abate players and position your business while industrial energy executives seek to enhance their capability in implementing clean technology.

WHAT OUR PARTICIPANTS SAY

A woman with blonde hair and glasses, wearing a blue blazer, is speaking and gesturing with her hands. She is in the foreground, facing a group of people whose backs are to the camera. The background is a blurred indoor setting, likely a conference room or hall.

The Energy Week Central Asia & Mongolia 2023 was well organized, and the pre-communication between the organizer and sponsors was going very smoothly. During the 2-day conference, we met and got in touch with many valued clients which benefited our company very much. We shall attend and sponsor in the next year.

Zhang Wenjia
(Jamie Zhang)

SUNGROW

It was a wonderful event in Astana. I found a chance to meet lots of people. There are many points that we can share our experiences and support the region to be a clean energy hub. Also, during the seminars, I was able to see the region's capacities. I'm excited for the next meetings.

Alper Kalayci

It was an absolute honor to participate as a speaker at such a prestigious event. The conference was impeccably organized, showcasing a seamless blend of professional expertise and warm hospitality.

Numan Bilginer

For me, it was very interesting to find a successful case about the issuing of Green Bonds by our colleagues from Georgia. We learned a lot from organizing Energy Week Central Asia & Mongolia 2023 and wish you success in the future!

Zhomart Mominbayev

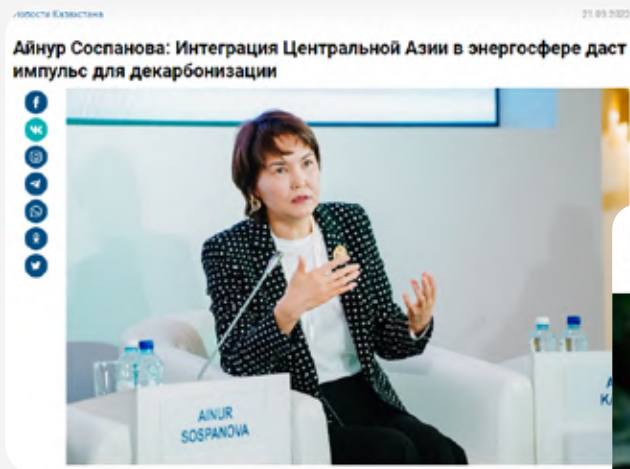

As SJ/SMEC we were honoured to be a sponsor, along with esteemed partners. This event provided a platform for discussions on the potential of energy in Central Asia. The conference delved into areas including policy discussions, technological progress, and sustainable energy solutions, all of which have reaffirmed our dedication to advancing energy initiatives in the region.
