“21” 05 2024 ý.

№ 05/560

**Dear Ladies and Gentlemen!**

The Chamber of Commerce and Industry of Turkmenistan together with the company “Oguzabat” invites you to take part in the International Forum and Exhibition to attract high technologies and innovations to the economy of Turkmenistan “Hi-Tech 2024”, **which will be held in Ashgabat, Turkmenistan, from September 4 to 6, 2024.**

Taking into account the high dynamics of development of innovative technologies in Turkmenistan and throughout the world, the intensification of digitalization in all areas of the economy and life in general, the International Forum and Exhibition on attracting high technologies and innovations to the economy of Turkmenistan will become a unique platform for establishing and developing business relations with largest international companies, manufacturers specializing in the development of high technologies and innovations, exchange of experience and for the presentation of new projects and proposals.

**Thematic sections of the exhibition:**

- Smart city technologies
- Construction technologies
- Industrial technologies
- Marketplaces
- Green energy and green factory
- Water saving technologies
- Electronic government
- Financial technology
- Development of educational technologies.

Events, planned within the framework of the International Forum and Exhibition to attract high technologies and innovations to the economy of Turkmenistan include a Hackathon and a platform for “Startup” companies.

The Forum is planned to discuss the latest trends in the implementation of innovations and technologies in various areas of the economy, including smart manufacturing and industry. The forum will become a dynamic platform for meaningful discussions and the exchange of innovative ideas.

The Organizing Committee is ready to provide comprehensive support to participants of the upcoming Forum and Exhibition, and for all questions, please find the following contacts details:
